#### The Charlotte Motter CETA Theatre Education Scholarship

This scholarship is named in honor of Charlotte Kay Motter, the quintessential theatre educator from 1944-1993, teaching junior high through college/university levels. She has had an extensive career as a consultant, task force leader, judge coordinator, author, actress, business & publicity manager, and director. There is no one in the history of California who has taken the leadership in theatre education that Charlotte has. She served on the board of the Regional Kennedy Center/American College Theater Festival; has been president of DTASC, CETA South; chair of the Legislative Action Coalition for Arts Education; founded and served as first president of the California Educational Theatre Association; and in recognition of her contributions to the field of theatre, was elected as a Fellow in the American Theatre Association. Among her many awards and honors are the Gold Medallion of the American College Theatre Festival, The Founders Award of the Secondary School Theatre Association, the CETA Outstanding Theatre Educator Award, and the CETA Lifetime Achievement Award.
