Lunch/snacks may be purchased from the host troupe.

Those students who have attended a previous leadership need to be enrolled as returning students and will be in the advanced leadership training.

The goals for the conference are to meet Thespians from many schools, learn recruiting techniques, leadership skills and strategies, to develop better time management skills, and gather new ideas to take back to your troupe. Each troupe may register and pay for as many students as we can accommodate. Teachers will have the opportunity to network with other directors from over 50 schools and create some ongoing partnerships and resources. Plus, hear about long time Thespian Friends such as Center Theatre Group, LAMDA and others regarding their upcoming opportunities, resources, and events.
