

Accessing OpenWater via Community Hub

If you have not yet accessed OpenWater since our transition to the new system, you will need to connect your OpenWater account to your EdTA account via our Community Hub.

You can access Community Hub at <https://myedta.schooltheatre.org>.

You will see this screen:

The screenshot shows the login page for the Educational Theatre Association's new Community Hub. The page has a dark blue header with the EdTA logo on the left and navigation links for 'Upcoming Events', 'Log In', and 'Donate Now' on the right. Below the header is a blue banner with the text 'Welcome' and 'Please log in or create an account to continue.' The main content area is light gray and contains a white box with a welcome message and instructions. Below this is a login form with fields for 'Email' and 'Password', a 'Log In' button, and links for 'Forgot your password?' and 'Don't have an account?'. At the bottom of the form is a note about recent changes within a troupe and a link to create an account. The footer of the page is dark blue and says 'Powered by Nimble AMS'.

Recent changes within your Troupe?
To request a change of Troupe Director, please create an account.

You will receive a password reset email, provided the email you entered matches the email that is in our system. Please check your Spam folder as the email may have been redirected there. Once you receive the email, follow the instructions to create your password.

Then, you can go back to OpenWater using the application link from your chapter. When you login to OpenWater, you may be redirected back to the Community Hub login screen (see first image in this document). Enter your recently updated password and you will be redirected back to OpenWater to complete your application.

If you selected **Don't have an account?** fill out the fields on the next screen, create your password, and click **Create Account**.

The form is titled "Create Account" and is divided into two main sections:

- My Contact Information:** This section contains several input fields and dropdown menus:
 - First Name * (text input)
 - Last Name * (text input)
 - Gender (dropdown menu, currently showing "--None--")
 - Gender Pronoun (dropdown menu, currently showing "--None--")
 - Ethnicity * (text input, placeholder: "Select Some Options")
 - Mailing Country Code (dropdown menu, currently showing "--None--")
 - Mailing Street (text input)
 - Mailing City (text input)
 - Mailing State/Province Code (dropdown menu, currently showing "--None--")
 - Mailing Zip/Postal Code * (text input)
- Security & Login:** This section contains fields for email and password:
 - Email * (text input)
 - Retype Email * (text input)
 - Password * (text input with a strength indicator icon)
 - Below the password field, there is a note: "Your password must be at least 8 characters long, have a mix of letters and numbers, and cannot contain your username."
 - Below the note, there is a "Password Strength:" label and a progress bar.
 - Retype New Password * (text input with a strength indicator icon)

At the bottom right of the form, there is a blue button labeled "Create Account".

Then, you can go back to OpenWater using the application link from your chapter. When you login to OpenWater, you may be redirected back to the Community Hub login screen (see first image in this document). Enter your recently created account email and password and you will be redirected back to OpenWater to complete your application or begin adjudication.
