# Fall Festival — Junior Varsity Division

## Graphics/Publicity

### What do we have to do?

- You have to create publicity for the designated play, as though your school were actually producing this play.
- You **MUST HAVE** all of the following:
  - ✓ a four- to eight-page (4-8 page) program
  - ✓ a poster or flyer (either one)
  - ✓ a publicity plan using a theoretical (make-believe) budget
  - ✓ a Notebook and Concept Paper (directions included in this pdf)
  - ✓ a Verification Form & Checklist (form included with this pdf)
  - ✓ an Expenditures sheet (sample included with this pdf)
  - ✓ receipts or proof of fair market value
- The forms go in your notebook.

### What exactly is a 4-6 page program?

- Take a sheet of letter-size paper (regular size used by most printers), fold it in half, and you have four pages. You can use any size paper.
- Do the same thing to another sheet of paper the same size. Cut it in half along the fold, and put one of those pieces inside the folded one. Now you have 6 pages.
- Full sheets of standard  $8\frac{1}{2}$ " x 11" paper (letter-size), used front and back, will also work for programs. Each side of the sheet counts as 1 page.

### Do we have to staple the program? How should it be stapled?

- If your program is 4 pages folded, it does not need to be stapled.
- If your program is 6 pages, with a single sheet inside a folded paper, it's a good idea to staple it once along the left side of the cover, but not very far in. Otherwise, the single pages will be all over the floor at the end of the show. However, it's not required.
- If your program is single sheets of paper, not folded together, you should staple it along the left edge of the cover so that it opens like a book, or in the top left-hand corner.  
Just so you know, it's not as impressive if it's only stapled in the top left corner.

- For a real play, you make 1 copy of the program for each person who comes to see it. Right now, you're only making 1 copy to show the judges. Could you make lots of copies easily, if this were a real program?

### **What do we put in the program?**

- This is the kind of program handed to an audience member as they walk into the theatre to see the play.
- The front page will be the cover for the program. It needs a graphic design.
  - It could be the same graphic design as your flyer or poster
  - Or you could create something new
  - Your choice
- If you use the same design from the flyer/poster, remember the address and contacts usually go inside the program or on the back. (It's not a rule.)
- The inside and back pages will have information. Some suggestions:
  - ✓ a synopsis (short summary) of the play
  - ✓ the cast (who's playing what part)
  - ✓ the list of scenes or songs
  - ✓ credits for those who worked behind the scenes on the play
  - ✓ a list of sponsors
  - ✓ interesting information about the actors, the plays, or whatever
- Fill the 4-6 pages attractively with all the information you'd like to provide for the audience.
- Two things you CANNOT have:
  - CANNOT USE the real name of your school
  - CANNOT HAVE blank areas, such as a section for autographs.
- Instead of your real school name, you can make one up, or use Shakespeare High, or perhaps name your imaginary school for the playwright or a superhero. It's up to you.

### **What about the poster or flyer? Does it matter which? What's the difference?**

- You can do either a poster or a flyer.
- A flyer is letter size (the size paper used in most printers) or half letter size, and is the kind of thing you might hand out to people to tell them about the play, or post on bulletin boards around the school.
- A poster is larger, and can be whatever size you can manage. It would go on a wall somewhere and has to attract attention.
- The poster or flyer must give people the information they need so they can get to the play - when, where, etc.  
It also needs to be interesting, so they will want to come.
- Do NOT use your real school name. Use the made-up one from the program.

### How much money can we spend?

- You can spend no more than \$100 total on what you bring to festival to show the judges.
- If someone gives or lends you something for your presentation, you have to find the fair market value of it on the internet, print a page that proves what it would cost, and include that in the \$100 total, or bring the receipt showing what they paid for it.
- See the Sample Expenditures page in this pdf to see how to figure the cost for various items.
- Save all your receipts and print-outs from the internet and include them in your notebook.

### What's the publicity plan?

- The publicity plan does NOT involve real money. This is theoretical money. The publicity plan for Junior Varsity asks you to decide how you would spend \$500 publicizing the play.
- Do NOT include printing costs for programs, poster or flyer. Your pretend budget is for you to be creative and have some fun getting the word out about your show!
- List what you plan to spend the money on, how much would be needed for each item, and when it would happen.
- For instance, you could decide to take out a newspaper ad, buy air time on a local radio station, or put up posters around town. You might decide to have t-shirts related to the play, or baseball caps, or some other item that would help advertise the play and get people interested. **Be creative.**
- You would probably also involve social media, so where would you put information and how would you get people to notice and want to pass it on?
- **MANDATORY:** you must figure out how you could spend the entire \$500 on publicizing the play. That's the point of doing the publicity plan.
- **NOTE:** You could spend part of your \$100 real money to show the judges some of the things listed in your publicity plan.

### How many people can work on this?

- Involve as many students at your school as you like.
- The presentation team at festival will have 1 to 6 students. At least one of those students must have been on the design team and know all the reasons for your choices and decisions.

- Your presentation team should include someone who is comfortable talking to a group.

### **What will the judges expect?**

1. You must have the mandatory items, starting with program, poster or flyer, and publicity plan showing how you might spend \$500.
2. You must have a Notebook and Concept Paper, showing all the research you have done and the work that went into preparing your publicity.
  - Instructions for the Notebook and Concept Paper are in this pdf.
  - Please follow them.
3. You must have the Graphics/Publicity Verification Form and Graphics/Publicity Checklist (together on a page in this pdf).
  - Print a copy of the Verification Form and Checklist.
  - Fill them out and get the page signed before festival.
  - Put the page into the back of your notebook.
4. You must have a detailed list of expenditures in your notebook.
  - A Sample Expenditures page is in this pdf.
  - It shows you:
    - ✓ how to figure costs
    - ✓ how to get fair market value if something is donated
    - ✓ what to do if you lose a receipt
    - ✓ how detailed you need to be
  - The expenditures page is the last page of your notebook.
5. You must include receipts or proof of fair market value.
  - See the Sample Expenditures page for examples of this
  - You can add these to your notebook by putting them in an envelope fastened to the inside back cover.
  - It's okay to glue or staple pages of receipts for your notebook, but the envelope is easier.
6. You must have a presentation team of 1 to 6 persons to tell the judges about your work.
  - The presentation can take up to 8 minutes.
  - The judges may or may not ask questions after your presentation.

### **What if we don't have everything?**

- You'll still do the presentation, but you won't get as high a score.
- You'll still get share sheets with judges' comments.
- However, if you are missing any required element, you may not be eligible for a trophy, regardless of the number of schools entered.

**What do we say in our presentation?**

- Bring your Publicity Plan to life!  
Show the Judges some of your more creative ideas in real time.  
This could involve a short acting presentation.
- Talk about the items listed under RESEARCH on the Notebook and Concept Paper guide, but you can do it in any order that seems natural for you.

***Suggestions for things to talk about:***

- Why your publicity ideas are a terrific way to get people to come see the show
- Why you selected whatever is on the cover of your program
- Why you selected the design you chose for your poster or flyer
- What research you did about the play, the characters, the time period, etc.
- What themes or values or content of the play you chose to express with your designs
- Problems you had, and how you solved them
- How many other students besides the presentation team were involved (if there were more - there might or might not have been), and how you divided up responsibilities
- What you learned from working on this project
- What you might do differently next time
- Your greatest successes and personal rewards from working on this project, and your reasons for feeling that way

**What are the judges likely to ask us?**

- If the judges ask questions, they might ask:
  - How does your graphic design fit the theme(s) of the selected play?
  - How do the graphic design poster /flyer and the program cover support your concept?
  - Do you feel the written information on your graphic design is easy to read?  
If it's a poster, is it easy to read from a distance?
  - Did you realize your program was mostly words with little visual imagery?
  - How do the major elements of your Publicity Plan support the theme(s) of the play, as well as your selected concept?
- If the judges don't ask questions, don't worry. You may have answered everything in your presentation.
