

COSTUME VERIFICATION FORM

One copy of this sheet must be filled in, signed, and included in the notebook & video.

SCHOOL CODE: _____

CREATOR'S NAMES: _____

TOTAL COST: _____

I verify that the accompanying costume was designed and fabricated by student(s) enrolled in the above school indicated by code, using appropriate social distancing. I further verify that this design has never placed in any DTASC competition prior to this date.

Signature of Creator/Designer

Signature of Director/Sponsor

COSTUME CHECKLIST

- _____ 1. We have all the notebook information to show the judges in our video:
- _____ Title Page, with School Code, Division, Title of Play & Playwright (Author)
 - _____ Table of Contents, listing all sections in the notebook and the page on which each section begins,
 - _____ Concept Paper, following all the guidelines on E6-31
 - _____ Research section:
 - _____ details of our research _____ costume renderings
 - _____ virtual fabric swatches _____ makeup designs
 - _____ choices made _____ problems solved
 - _____ how our choices communicate practical needs, meanings, emotions, style goals
 - _____ how all of these support the play _____ changes for next time
 - _____ greatest successes or personal rewards gained from this project
 - _____ Verification Form and Checklist (this page)
 - _____ Expenses Page, showing how we spent our money
 - _____ Explanation for how we could adapt our ideas to a school budget
- _____ 2. We have the required number of costume renderings in our video:
- _____ Varsity: 5 _____ JV: 4 _____ MS: 3
- _____ 3. We have a makeup design for each costume.
- _____ 4. We have identified each costume rendering with character's name (plus act & scene if needed), plus our school code and title of play.
- _____ 5. Our video presentation is as thorough and interesting for the judges as possible. We have highlighted our designs, explained our concept and used editing to visually display our designs and sections of our research for their best effect.
- _____ 6. All the work on this tech project has been done by socially distanced students from our school.
