

Teacher-Friendly Tech FAQ

Virtual Festival — Fall 2020 Varsity Division

Graphics and Publicity

This packet contains:

- Required Elements - the minimal list for checking
- Student-Friendly - a little more detail so students have the general idea
- Teacher FAQ - what used to be the Kid-Friendly version - you can give this to the students to work with, or just answer questions for them, using this as your "bible"
- Examples, models, etc - at the moment, there are none for Graphics and Publicity - we hope to add some in future
- Video guidelines for tech categories
- Notebook / Concept Paper - specific list of what to include
- Verification Form and Checklist for notebook
- Sample Expenditures form - how to report spending or a required budget
- Typical questions a judge might ask
- Websites that might be useful
